Sandra Setters-Tricklebank:

In February, Sandra was diagnosed with cancer in the spine, breast, stomach, and right eye. Sadly, due to the advancement of the cancer, there is very limited treatment possible. The doctors estimate that Sandra has only two years left. Some of you will remember Sandra from her days with the Hamilton church (the Setters family were a big part of the church there). For several years, she, her husband Glen, and their sons have been living and worshiping (at their home) up on the Matakana Peninsula. Please keep Sandra and her loved ones in your prayers.

Joshua Stokes:

(Bryce Christensen's cousin) has had a recurrence of brain cancer. Please pray for his health and for strength and faith for his family.

Stephen Sepulveda

(Cyndy Neill's brother):

He has been discharged from the hospital and resuming his 3x a week dialysis. We appreciate all the prayers.

Betty Potgieter:

"My Mom is back at Halldene Rest Home." (Felicity)

Food prices continue to rise, and some families have lots of mouths to feed. Please bring food, e.g.

canned food, peanut butter, milk products, etc...All supplies are low. Place the items in grey cabinet in the corner of the Fellowship Hall.
