## More Reasons to Rejoice !

We praise God and rejoice with the angels in heaven over the baptism of Piper Jackman, daughter of Francois and Lillian van Niekerk, on Wednesday night 1<sup>st</sup> of May 2019).

We welcome Piper to the family of God and pray God's richest blessings upon her as she grows in the grace and knowledge of our Lord Jesus Christ.

Francois and Lillian want to thank everyone who attended the baptism and has made us as a family feel welcome in Morningside.

To Piper we say congratulations, we love you and enjoy seeing you grow into the person you have become.

Praise God for all His blessings in our lives.

### **Sandra Setters-Tricklebank:**

In February, Sandra was diagnosed with cancer in the spine, breast, stomach, and right eye. Sadly, due to the advancement of the cancer, there is very limited treatment possible. The doctors estimate that Sandra has only two years left. Some of you will remember Sandra from her days with the Hamilton church (the Setters family were a big part of the church there). For several years, she, her husband Glen, and their sons have been living and worshiping (at their home) up on the Matakana Peninsula. Please keep Sandra and her loved ones in your prayers.

### **Joshua Stokes:**

(Bryce Christensen's cousin) has had a recurrence of brain cancer. Please pray for his health and for strength and faith for his family.

### **Stephen Sepulveda**

**(Cyndy Neill's brother):**

He has been discharged from the hospital and resuming his 3x a week dialysis. We appreciate all the prayers.
