God has blessed us with new members. Renee, Reese and Nikka Marks are from the Lord's church in Cape Town, South Africa, but have come to Morningside via the Wellington church. Welcome to Morningside.

Recently we said goodbye to Francois, Lillian, Roxanne and Piper. They are settling in nicely in Benoni, South Africa. They send their blessings:

Sue Beukes:

(Up-Date Monday 23 Dec.2019)

"Sue is having some tough days after the chemo sessions. She is battling with nausea. It's debilitating and she tries to offset the nagging nausea by lying still and measuredly drinking liquids for fear it may come up. She's on a very good suppressant now and we hope that it helps. We pray that daily she'll improve and stabilise."

Sandra Setters-Tricklebank:

In February, Sandra was diagnosed with cancer in the spine, breast, stomach, and right eye. Some of you will remember Sandra from her days with the Hamilton church (the Setters family were a big part of

the church there). Please keep Sandra and her loved ones in your prayers.

Julie Christopherson (Lynda's friend):

Update (04-01-2020)

Julie has been admitted to the Northwest hospital with another small bowel obstruction. She is not allowed food or drink until it clears. You can imagine how difficult this would feel. Please pray for the obstruction to clear quickly. She is still on chemotherapy treatment.

Brian Caitor (Matt's brother):

Please keep Brian and Matt Caitor in your prayers (Brian is Matt's brother). Brian has cancer and had an operation on the 28th of November. Brian is aged 37, with a young family.

Ethan van Aswegen (in South Africa):

Ethan was on our prayer list before. His cancer is back for the third time. The family is devastated.

Please pray for him and his family.

Betty Potgieter:

"My Mom is back at Halldene Rest Home, in Whangaparaoa." (Felicity). She is very frail. Please keep her in your prayers.

Duran van Niekerk (Francois' nephew):

(Update last Monday) Duran has been in a very bad motorbike accident, in SA. "My brother's son, Daren, is still in a coma, but they noticed movements from him on Saturday. Lillian and I visit him every 2nd day and had a special prayer service for him and Ethan last Monday. With God anything is possible. Just feel very sorry for my brother and his wife. But they are also staying positive and praying. They also appreciate our support."

Al and Donna Horne (Lynda's parents):

Continue to keep for Lynda's parents in your prayers. Donna's hand operation has been delayed because her RA factor is too high, causing her to have lots of inflammation in her body. She is under the care of a Belgian specialist, who is doing lots of tests and a new treatment on her, after which the operation may take place on her hand. Al continues to recover from his skin graft.

Any Sisterly Scribes out there? Morningside sisters are welcome to write a daily devotional to encourage sisters worldwide. Sheila Butt, the speaker at the Palmerston North Ladies Challenge in October, would like sisters in New Zealand to submit a story for the first "Sisters, Servants, Soldiers" devotional book. The guidelines are: 150 to 250 words more or less, must include Scripture, up to 5 submissions per person will be accepted for publication for this first book and the writer's name and city will be noted.

Submit to: sbutt@charter.net with SSS DEVO in the subject line. Visit www.sistersservantssoldiers.com to subscribe to Sisters, Servants, Soldiers.
