## Two Services at Morningside

### 9am Service

Please note, key requirements for the early service will be:

\*All attendees must scan in using the NZ Covid Tracer App

\*All attendees must also have a "My Vaccine Pass" which will be verified by scanning it as everyone enters the building.

\*Concerning masks: Only the men serving need to check with Gerald Lange.

\*Seating one metre apart will be required also – apart from those in their own family bubbles, of course.

\*The service will be simple: prayer, songs, the Lords Supper and a 10 - 15 minute class. No sermon. This earlier service will not be online. I encourage the brethren intending to be present to listen to John's sermon later online. I have personally found these sermons very encouraging and helpful.

### 11am Service

Our "mixed gathering" (vaccinated and unvaccinated combined) service continues as per normal

### Online worship

Our services are available online for all who are unable to participate in these in person services.

### Sharing the Best of Us.

### Lu Ossevoort

Sunday, 30 January, we said good-bye to Lu Ossevoort. She moved to Tauranga on 1 February. She has been a great worker for the Lord here at Morningside. We will miss her enthusiasm for God, her countless, serious prayer requests, her art with spiritual themes, her love for the brethren, her wonderful Lu food dishes and her steadfast faith. We wish her God's blessings and much happiness in her new home.

### Anita Polglase and Brad, Michal, Aria, Cade, and Chloe Fay

During lockdown, when the church was prohibited from meeting together physically by governmental lockdown laws, it was with sadness that we had to say good-bye to Anita Polglase and Brad and Michal Fay, and children

Aria, Cade, and Chloe. They made the decision to move up North.

Although we could not have a farewell at church, we said good-bye in our hearts. We will truly miss Anita's smile and gentle ways, and the happiness that shone from her eyes because she was a child of the King.

Anita was always willing to step up and take a class for our teachers when they needed it. She brought food to various fellowships and was a keen to see her family attend church with her. We will also miss the smiles of Michal and Brad and their beautiful children. We wish them God's blessings and happiness in their new homes.

Today: \*6 o'clock Devotional at Morningside.

Please Pray for:

1. Lynda Staiger's parents, Al and Donna Horne. Pray for their ongoing health problems and the sale of their Benoni home.
2. Laurie Bailey's father is under hospice care in the USA. Laurie is with him.
3. Those who are suffering physically.
4. Those having spiritual struggles.
5. That we are all back—in person—together at worship again soon.

Food prices continue to rise, and some families have lots of mouths to feed.

Please bring food, e.g.

canned food, peanut butter, milk products, etc...All supplies are low. Place the items in grey cabinet in the corner of the Fellowship Hall.

Sadly, because of the uncertainty over covid restrictions, The 2022 Morningside Camp has been cancelled.

However, Geoff Fairest and the team are busy preparing for The 2023 Morningside Camp. They are welcoming of encouragement and suggestions.

Dearest Brethren, the covid restrictions continue to be a time of trial for us all. Thus, we must be vigilant in our efforts to grow in faith and good works, lest we go backwards.

We praise God that the church is His eternal family and under His constant care.

Be sure to show grace of Christ to all, because everyone around us is facing similar frustrations and challenges.

Though the world will always seek its own way, we seek the way of our Lord and Saviour Jesus Christ. We are ever, during good times and bad, instruments in the work of the Holy Spirit.

Remember, the church is victorious in its mission to glorify the Christ—continue in that mission.
